## Joven has been innovating home technology for over 30 years.

The name Joven has been synonymous with instant water heaters since 1983. We are pioneers in the field, constantly introducing new technology and features in our products. Our product have many safety standards such as the IP25 Splash Proof protection, conveniences such as 5 Rain Shower Pattern, Slider Bar and Electronic Power Control among others. Today, we continue to create products that are highly convenient, reliable and safe.

## How does the SL30 Series make your life better?

We engineer many technological features into one-easy-to-use instant water heater. This means every time you use the SL30 Series, you are guaranteed to have better convenience, reliability and safety.

## Stepless Electronic Power Control.

Just by simply turning the Temperature Control from 'LOW' to 'HIGH', you can instantly adjust the water temperature to your preference. It is incredibly easy to use and because you are customising just your exact temperature, you save energy too.

## 3 SPRAY PATTERN HAND SHOWER

3 ideal shower mode spray pattern can be selected just by turning the spray selector, so easy!
